WHY WORK WITH ME

• **Reliable and proactive:**
I take ownership of tasks and follow through with minimal supervision.

• **Fast with new tools:**
I work across project management, productivity, and AI platforms and learn new ones on my own.

• **Strong on quality:**
I have a track record of positive client feedback on graphics, video, and content, and I check work carefully before it goes out.

• **Organized and communicative:**
I keep schedules, files, and client communication in order so nothing slips.
